

Copper Tubing

Premier Copper Tubing Supplier

PJ Tube supplies copper tube products in variety of grades and sizes, meeting a full range of temper and tolerance requirements. Our copper tubing is available in mill lengths, custom lengths as well as level-wound coils. We also offer precision cut tube to meet your specific, shorter length requirements.

PJ Tube stocks utility coils in standard 50-ft. lengths, individually packaged and boxed for quick shipping. Our stocked copper refrigeration coils, cleaned and capped in custom lengths, are manufactured to ASTM B280, Grade C122 in soft temper.
