

## **Seamless Stainless Coils**

#### **Premier Seamless Stainless Steel Tubing Supplier**

PJ Tube puts more than 50 years of experience and expertise behind every seamless tubing product we suppy. We offer the **longest seamless stainless coils** in the industry and have a wide range of sizes in stock available for immediate delivery. Where corrosion resistance and higher pressure require seamless stainless tubing we are the premier source.

In addition to 316/316L stock coils, we can also provide material in 304/304L, 317/317L, 625, 825, 2.5% Minimum Moly, and Duplex 2205. Other high performance and corrosion resistant alloys are available upon request.

### **Phillips & Johnston Offers**

- Special tube finishes and sizes
- Superior ID finish
- Reduced installation cost
- Longest seamless stainless coils in the industry
- Wide variety of sizes in-stock for immediate delivery

# Electric Trace Heat Exchanger Flow Measurement Analyzer Lines

**Applications and** 

**Industries** 

Geothermal

High Pressure

Steam Trace

Chemical Injection

- Chemical Processing
- Energy/Power Generation
- Petrochemical
- Pharmaceutical
- Oil & Gas Exploration
